

§ 31.29

17 CFR Ch. I (4–1–02 Edition)

(6) Does not hinder the development of a registered futures association under section 17 of the Act.

(h) After the Commission has approved a plan or part of one under paragraph (g) of this section, a self-regulatory organization relieved of responsibility must notify each of its members which is subject to such a plan:

(1) Of the limited nature of its responsibility for such a member's compliance with its minimum financial, cover, segregation and sales practice, and related reporting requirements; and

(2) Of the identity of the designated self-regulatory organization which has been delegated responsibility for such a member.

(i) The Commission may at any time, after appropriate notice and opportunity for hearing, withdraw its approval of any plan or part of one established under this section, if such plan or part of one ceases to effectuate adequately the purposes of section 19 of the Act or of this section.

(j) Whenever a registered leverage transaction merchant holding membership in a self-regulatory organization ceases to be a member in good standing of that self-regulatory organization, such self-regulatory organization must, on the same day that event takes place, give telegraphic notice of that event to the principal office of the Commission in Washington, DC and send a copy of that notification to such leverage transaction merchant.

(k) Nothing in this section shall preclude the Commission from examining any leverage transaction merchant for compliance with the minimum financial, cover, segregation and sales practice, and related reporting requirements to which such leverage transaction merchant is subject.

(l) In the event a plan is not filed and/or approved for each registered leverage transaction merchant which is a member of more than one self-regulatory organization, the Commission may design and, after notice and opportunity for comment, approve a plan for those leverage transaction merchants which are not the subject of an approved plan (under paragraph (g) of

this section), delegating to a designated self-regulatory organization the responsibilities described in paragraph (c) of this section.

§ 31.29 Arbitration or other dispute settlement procedures.

Each self-regulatory organization which has members who are registered as leverage transaction merchants must be able to demonstrate its capability to promulgate rules and to conduct proceedings which provide a fair, equitable and expeditious procedure, through arbitration or otherwise, for the voluntary settlement of a leverage customer's claim or grievance brought against any member leverage transaction merchant or any employee of a member leverage transaction merchant. Such rules shall be consistent with the rules set forth in part 180 of this chapter governing contract market arbitration and dispute settlement procedures.
